

Shafi Al-Ghazi

IT SYSTEMS MANAGER

I am a professional and I believe my greatest assets are my ability to work with different characters and adapt quickly to different Locations. I have the drive, confidence, and resilience to get things done, the flexibility to work in a team, and the credibility to influence others.

I have excellent communication and interpersonal skills, with ability to liaise effectively and professionally with individuals at all levels.

Hard, energetic, goal oriented, and fast learning worker. I have what it takes of the drive, well, and enthusiasm to learn quickly and sharply, and I have a great desire to learn and progress.
